Subject: **BOARD NOTIFICATION ON INFORMATION TECHNOLOGY FUND
PROJECT – SHERIFF'S PERSONNEL PERFORMANCE INDEX
OBJECT AND WORKFLOW ENABLING PROJECT (SPPIOWE)**

This memo is to advise your Board of the Information Technology Fund (ITF) Executive Committee's action to cancel the ITF grant for the Sheriff's Department's Personnel Performance Index Object and Workflow Enabling Project. This project was awarded a \$300,000 grant, which was approved by your Board on July 16, 2002. The decision to cancel the grant is primarily due to the Sheriff's inability to commit financial and staff resources to support this project. The ITF Executive Committee also noted the cancellation of the project grant by the Quality & Productivity Commission.

The ITF Executive Committee met and agreed that any expended funds should be returned to the ITF Fund. The Sheriff's Department concurs and is in the process of returning the expended grant fund to the ITF.

If you have any questions, please contact me or, in my absence, Jonathan Williams, of my staff, at (213) 974-2080.
